CHANGES BRINGS NEW FACES!

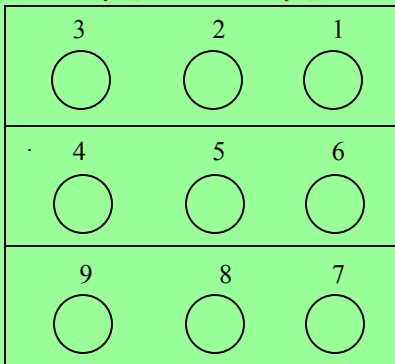

A new driver, Mr Itinikarawa Ribaeua proudly sits inside his new vehicle, Nissan Urvan Micro Bus BG 009.

The new transport arrangement brings two new vehicles together with one smart looking driver, Mr Itinikarawa Ribaeua from the Public Vehicle Unit at Betio.

This micro bus will be used to pick and drop FTC staff living westward of the campus while the new Single-Cab pick-up will be used to pick and drop staff living eastward of the campus. The new driver, Mr Itinikarawa will be responsible for the Micro bus while the old driver, Mr Burenteatu will be responsible for the Pick-up and truck.
